SUPPLEMENTARY INFORMATION:

On January 20, 2016, ASRAC met and unanimously passed the recommendation to form a circulator pumps working group. The purpose of the working group is to discuss and, if possible, reach consensus on a proposed rule regarding definitions, test procedures, and energy conservation standards, as authorized by the Energy Policy and Conservation Act (EPCA) of 1975, as amended. The working group consists of representatives of parties having a defined stake in the outcome of the proposed standards, and will consult as appropriate with a range of experts on technical issues. Per the ASRAC Charter, the working group is expected to make a concerted effort to negotiate a final term sheet by September 30, 2016. This notice announces the next series of meetings for this working group.

DOE will host public meetings and webinars on the below dates.

- Tuesday, March 29, 2016 at 12 p.m. to 4 p.m. EST **Webinar only**.
- Thursday, March 31, 2016 from 9 a.m. to 5 p.m. EST at 950 L'Enfant Plaza, 6th Floor SW., Washington, DC.
- Friday, April 1, 2016 from 8 a.m. to 3 p.m. EST at 950 L'Enfant Plaza, 6th Floor SW., Washington, DC.

Members of the public are welcome to observe the business of the meeting and, if time allows, may make oral statements during the specified period for public comment. To attend the meeting and/or to make oral statements regarding any of the items on the agenda, email asrac@ee.doe.gov. In the email, please indicate your name, organization (if appropriate), citizenship, and contact information. Please note that foreign nationals participating in the public meeting are subject to advance security screening procedures which require advance notice prior to attendance at the public meeting. If you are a foreign national, and wish to participate in the public meeting, please inform DOE as soon as possible by contacting Ms. Regina Washington at (202) 586-1214 or by email: Regina.Washington@ee.doe.gov so that the necessary procedures can be completed. Anyone attending the meeting will be required to present a government photo identification, such as a passport, driver's license, or government identification. Due to the required security screening upon entry, individuals attending should arrive early to allow for the extra time needed.

Due to the REAL ID Act implemented by the Department of Homeland Security (DHS) recent changes have been made regarding ID requirements for individuals wishing to

enter Federal buildings from specific states and U.S. territories. Driver's licenses from the following states or territory will not be accepted for building entry and one of the alternate forms of ID listed below will be required.

DHS has determined that regular driver's licenses (and ID cards) from the following jurisdictions are not acceptable for entry into DOE facilities: Alaska, Louisiana, New York, American Samoa, Maine, Oklahoma, Arizona, Massachusetts, Washington, and Minnesota.

Acceptable alternate forms of Photo-ID include: U.S. Passport or Passport Card; an Enhanced Driver's License or Enhanced ID-Card issued by the states of Minnesota, New York or Washington (Enhanced licenses issued by these states are clearly marked Enhanced or Enhanced Driver's License); A military ID or other Federal government issued Photo-ID card.

Docket: The docket is available for review at www.regulations.gov, including Federal Register notices, public meeting attendee lists and transcripts, comments, and other supporting documents/materials. All documents in the docket are listed in the www.regulations.gov index. However, not all documents listed in the index may be publicly available, such as information that is exempt from public disclosure.

Issued in Washington, DC, on March 10, 2016.
